

December 30th 2013 – Siem Reap, Cambodia.

Dear Benefactors and Friends

I am very excited to be sending you this special bulletin. I want to share with you the experience we have just had a few hours ago ... On December 30, 2013 at 11 am, before the same lawyer and the same witnesses who were there on the day that the first contract was established, the final payment canceling the debt with the original owner of the land was made for The Children's Land – DEI KOMA!.

Thank you very much to all of you from Australia, New Zealand, Spain, United Kingdom and USA who through your donations have made this dream come true.

Since the initial contract was signed, which committed us to make a monthly payment, 15 months have passed. Mission accomplished!.

Now we continue walking, dreaming to build a Residential area, a Sports area and an Educational facility.

On behalf of the Children, the Staff and the Management of Together for Cambodia we say Thank you, THANK YOU very much. Thank you very much for trusting us and for helping us to make dreams come true.

Dreamers are those who manage to change the World. Never stop Dreaming.

A Big Hug from DEI KOMA.
